1

Submission

- Honorable Mention:

Patrick Gage Kelley and Daniel R. Rashid

Mitsubishi Electric Research Lab
Sensor Exploration

Discovery Exhibition
InfoVis 2009 ~~Contest?~~

Jing Yang, Bongshin Lee, & Petra Isenberg

Goal

- Advocate the value of InfoVis
 - Demonstrate the impact in the *real* world
- Encourage diversity
 - Any domains and datasets
 - Existing tools welcome!
 - Industry or academic
- More submissions!

Changes

- Domain, Topic, Dataset, Tasks
 - We chose → **You** choose
- Focus
 - Tools → **insights & impact**
- Less burden to submit
- No single winner
 - Remember, It's Not Contest But Exhibition

Content

- Stories about discovery from the *real* world
 - Insights
 - Process
 - Impact

Example

Submission

- 2-page summary and website of the stories
 - We will provide templates and examples
- Optional video & more ...

Benefits

- Persistent “Discovery” web repository
- Conference presentation
- 2-page compendium entry

Stay Tuned...

Discovery Exhibition

- Still shaping it up
